

# CULTURALLY INCLUSIVE MENU PLANNING IN LONG-TERM CARE (LTC): DIETITIAN AND FOOD SERVICE MANAGER PERSPECTIVES

We are interested in understanding how menu planning happens in your LTC home and determine what barriers and facilitators you have experienced in developing culturally inclusive menus. Your perspective on how we can create culturally inclusive menus will help us improve menu planning in Ontario LTC homes.

Please complete this voluntary 15-minute survey by **January 10th** using the QR code below:

This research study has been reviewed and received ethics clearance through a University of Waterloo office of research ethics board (REB#44551)
